COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Dear Sir:

This is in response to the Notice of Allowability sent with the Notice of Allowance dated June 10, 2005. Specifically, in the Notice of Allowability states on page 1 thereof, "3 ☒ The drawings filed on 01 May 0902 are accepted by the Examiner". Note that there were no drawings filed in May 2002. Instead, a set of replacement drawings were filed on September 5, 2002. Applicants believe that the Examiner was referring to the September 5, 2002 drawings in indicating acceptance thereof. If this belief is incorrect, please contact the undersigned immediately at 408-982-8203, so that an appropriate action (if any) can be taken to ensure timely issuance of the patent.

Also, the Examiner's written statement of the substance of the telephone interview on June 5, 2005 is hereby confirmed as being complete and accurate. Specifically, the Examiner's amendments to the claims were approved during the interview. No specific arguments were presented to the Examiner during this interview. Instead, the Examiner indicated that claims as amended would place the application in form for allowance. These claim amendments were accepted during the interview, to allow the application to issue.
